- \* Mounted means that the prints are put on a hard backing and come with a linen type protective finish so that it is not necessary to put the photo behind glass in a frame (less cleaning and no glass glare)*
- \* Canvas comes with either a hard backing ready to be framed or as a "wrap around" that doesn't need a frame and is ready to hang.*
- \* You will receive a written copyright release for your images, so you are free to use them in any way you like (Christmas cards, etc.)*
- \* Prints are normally in your hands within 10-14 days from placing order.*
